

Flexible pipe couplings

Description

DLYY flexible pipe couplings feature TPE construction and stainless steel clamps. Designed to resist corrosion, rot, and degradation from sunlight and chemicals. Easy to install and reuse.

Advantage

- 10 years producing experience
- Export to many users in New Zealand, European and American countries
- Good quality control
- Competitive price
- Multiple sizes options available
- Can be customized by drawing or sample

Technical Specification

Material: High quality TPE (environment friendly)

Color: Black

Type: Connects pipes of same or different sizes

Certification

ISO9001, ROHS, REACH

Existing Mold Size

Quotation of pipe coupling from DLYY 20280813
